

Website Design Services

All websites are designed through Wix website builder and include a free domain name. The website builder fees are already included in the initial build price.

ALL WEBSITES will have an annual fee of \$156.85 (Website Renewal Fee \$132 + Domain Name Renewal Fee \$24.85). This annual fee will begin during the second year if you choose to continue your website services and is for renewal of your domain name and website through Wix website builder. This price is subject to change if the website builder changes their fees. This price does not include any RBS Ag Consulting fees it is strictly based off of the website builders annual pricing.

A variety of packages and services are provided a la cart depending on your business needs. Please review the information below and choose the best package to fit your needs. *All management fees are optional. If you would like to manage your own website, RBS Ag Consulting will set up the website and transfer it to you once the site is built.*

- **One Page Website:** \$550 initial design and build + *Optional Management Fee*
Management fees are \$125 per quarter or prepay annually for \$400 (\$100 savings). Includes free domain, mobile friendly website, unlimited text and photo updates. Note your first year will be the design and build fee + your annual management fee.
